Archaeological Field School in GREECE
16 June - 28 July 2012

Directed by Dr. Kim Shelton
Department of Classics

Petsas House, Mycenae and pottery production in the Late Bronze settlement

The Panhellenic Sanctuary of Zeus and the early history of Nemea

An opportunity for undergraduate students to participate in archaeological excavation in Greece and receive academic credit from the UCB Classics Department (CLN 172A/172B). No experience or prerequisites required - only a desire to dig.

Application deadline - January 31, 2012

For more information and an application please contact Dr. Shelton, 7212 Dwinelle or by e-mail sheltonk@berkeley.edu
